“ *The view was awesome. The staff was very accommodating and very into the celebration by wishing him personally happy birthday. I got the Flank steak which came with a side of white rice and grilled vegetables. The vegetables was packed with flavor but still surprisingly you could taste each vegetable. The steak melted in my mouth. Yummy.*

Delicious, hand crafted, fresh, artisan ingredients. Eat your heart out hipsters, this is the purity in food you so desire. You can't go wrong on their menu.

### SIGNATURE DISH

It's tough to pick between the panini-pressed sandwiches and the copious salads, but the freshest around ingredients give the salads the edge.

“ Since in Hana there are not so many places to stop and get variety of refreshment on one spot, this become our breakfast/snack spot. Everything is fresh, nice, and relatively good price. Personally I like their salad with fish. I had it almost every day. My daughter loved their smoothies (of course no sugar added).

**5050 UAKEA RD HANA, HI 96713**

“ Please. If you're in Hana do yourself a favor and stop by this food truck. Oh gosh my mouth is watering just thinking about it. We've gone to Hana twice this month just to eat here. Friendly service, outstanding food. The crispy opakapaka with green mango/papaya salad is a favorite. And if they have the special panang curry with mahi you have to get that too. Cool down your insides with a Thai iced tea with coconut milk. Really it doesn't get any better than this.
