MASSAGE THERAPY

Hāna Custom ●●

Whether your body craves relaxation, stress and tension alleviation or the soothing of tired, achy muscles, let our expertly trained massage therapists customize the ideal massage for you. Choose your own local, herbal-infused oil blend: relaxing, romance, muscle soothe, uplifting citrus or unscented.

'Ohe'o Forest ●

Using an organic bamboo & lime massage oil, specific muscle groups are targeted with a combination of hot stones and smooth, round birch sticks. Flowing movements, tactile stimuli and purification of muscle tissues result.

Maluhia Serenity ●

This combination of traditional Hawaiian Lomilomi techniques and a soothing scalp massage allows you to melt into a deep state of relaxation.

Hohonu Nui Deep Tissue ●

This goes one step beyond the standard deep tissue, including sports massage techniques combined with a therapeutic muscle relief balm and custom aromatherapy oil, leaving you feeling revitalized and ready for your next adventure.

BODY TREATMENTS

Aloha Kai Spirulina Body Wrap & Massage ●

A full-body sea salt exfoliation prepares your skin for an application of nutrient and vitamin-rich Hawaiian Spirulina, helping to cleanse, detoxify and reduce water retention. A full body massage goes deeper still, leaving you refreshed and renewed with the tropical essence of Hāna surrounding you.

Honua Mana Ti Leaf & Aloe Treatment ○

Begin with a soothing application of Hawaiian aloe vera gel coupled with a cooling ti leaf overlay from our beautiful Hāna garden. The healing properties of aloe and ti rehydrate and nourish the skin. A luxurious scalp, neck and foot massage complete this relieving, therapeutic treatment.

FACIALS

Island Glow Facial ○
